

Third Party Parts List

This document lists all the needed third party parts necessary to complete the CP 35508 kit. Recommended manufacturers are also listed, though you are welcome to seek your own. We cannot guarantee compatibility, however

Description	Recommended Manufacturer	Quantity Needed
18" straight grab irons	Tichy Train Group	35
24" Straight grab irons	Tichy Train Group	3
90 degree corner grab irons	Tichy Train Group	2
Eye bolts	Tichy Train Group	22
Knuckle couplers	Kadee (#5 or #148)	2
36" Wheelsets	Walthers or Rapido*	6

*Note that wheel sets should be chosen based on the sideframes you received. These are sized slightly differently, and which manufacturer your sideframes are designed for is indicated by a card included in the box.
